

## NATIONAL NIGHT OUT

### Tuesday, October 2, 2018

***What is it?*** National Night Out is designed to heighten crime and drug prevention awareness, generate support for and participation in local anti-crime programs, strengthen neighborhood spirit and enhance police-community partnerships. It is intended to send a message to criminals letting them know that neighborhoods are invested in the unity and quality of their communities.

Groups organize block parties or cookouts and are visited by public safety personnel and city dignitaries. Nassau Bay Police Officers and City Staff will make their rounds to visit each registered event location.

***Where is it?*** Your neighborhoods! The City of Nassau Bay wants the parties in your neighborhoods so there is a better opportunity for residents to meet those that live next to them. This also allows Police Officers and City Staff more time to spend visiting with the residents by going to each registered block party. All block parties registered with the Nassau Bay Police Department can be seen on the National Night Out map found at [www.nassaubay.com/NNO](http://www.nassaubay.com/NNO).
